## East4Fresh

East4Fresh is a Dutch trade company, specialized in fresh, authentic, Asian fruit and vegetables. With an almost daily supply direct from our own nurseries in China and Thailand, Vietnam we can guarantee you the most freshest products. We are proud to distinguish ourselves with tailor-made solutions for our customers. Our products can be delivered in customized packages, with customized labels and in almost each requested quantity.

## Our products

- Authentic Chinese fruit & vegetables
- Thailand and Vietnam fruit & Vegetables
- Local produced Asian vegetables
- Asian mushrooms

We hardly keep stock of any product. This will guaranty you a fresh quality of our products.

## China

It won't be easy to find an address in Europe where you can buy real fresh authentic Asian fruit and vegetables. At East4Fresh you are at the right address. We fly your order direct from our nurseries in China, all packed in cold boxes to guarantee best quality and freshness.

We only work with certified (HACCP) Asian partners who understand and work according to the most strict and severe quality regulations in order to guarantee food safety throughout the whole supply chain.

## Thailand, Vietnam

We can supply you with a complete assortment of fruit and vegetables from Thailand and Vietnam. Twice a week - each Monday and Thursday - fresh products are received from our growers and re-shipped next day after a thorough quality inspection by our qualified staff.

All to ensure you a consistent high quality.

Of course, we can also pack all our products in packages of all possible quantities, like 100, 200, 500 or 1000 grams. All our packs contains a barcode to save you time and help you optimizing your supply chain.

## The Netherlands

We cooperate with a group of growers which are specialized in growing Asian vegetables. It's also possible to make special price-arrangements for a time of period. And request your own packaging.

## Everything is possible

We can supply you with our fresh products without handling a quantity restriction per item. This flexibility is one of the other reasons that makes East4Fresh an interesting partner for the Out of Home and Food Solutions market. For instance a lot of catering suppliers recognize in East4Fresh a professional partner for their Asian product line. Is there something special you're looking for... **We can find it, and deliver!**
